Hey you both ☺

Valerie, I put you in copy, because this mail is for Hubert, but maybe you are also interested in the latest news of your ancestors hometown... :-D

Yes Hubert, Gerda Nuss is still with us and I've seen her some weeks ago! She moved to our local assisted living, This is getting more and more popular the last twenty years. I guess in the nineties we only had two or three assisted livings in the whole county. But luckily, since a few years, we have it also in Muggensturm. And it's in a very nice location next to the kindergarten and our little zoo. Before corona the assisted living and the kindergarten had even parties together. This was a great experience for both. The young and the old.

I've got a house there very close, that's why I'm often passing by. I thought maybe I see her walking on the pavement so I would stop and take a picture. But maybe the weather is not nice enough, so I couldn't make it yet.

I put a newspaper article from today to this Email, so you can practice your German skills. ;) Gerda Nuss' daughter Ulrike retired this week. She was the secretary of our school for 26 years! The guy on the left is our major. ☺

Two days ago, I visited the Maulbetsch family to return a hand written family book because I did some research on this side line of my family tree. I could figure out, that we are not blood related.

But they told me a lot of stories about Johann Maulbetsch. They visited him in Hoboken several times! And they have pictures from which Christel Maulbetsch told me. We will meet in the next weeks, when I have my Christmas vacation. They are already retired and have time to show me. ;)

I added these information to my [ancestry.com](#) tree. So as both of you have access, you can find them there. ☺

Stay healthy!

Greets from Muggensturm

Muggensturm (DE) – im  
gerne trifft, aber bei wenig  
Zeit und ohne viel Aufwand  
mehrere Freunde. Das ist  
auch der Fall mit Ulrike Schneider  
und Nadine Göhler. Beide  
arbeiten im Bereich Innen- und  
Exterieur bei der Firma Schuh  
und beide sind sehr engagiert  
und kommen gern zusammen.  
Vor kurzem haben sie sich  
eine gemeinsame Freizeit  
gewünscht und haben sich  
auf die Innenstadt von Muggensturm  
begeben. Auf dem Foto sind  
Ulrike Schneider (links) und  
Nadine Göhler (rechts) zu  
sehen. Beide Freunde haben  
heute eine Cola und einen  
Kaffee getrunken. Beide sind  
sehr entspannt und haben  
sich sehr gut unterhalten.  
Zur Freizeitzeit in der Stadt  
Ausblicke verschaffen.

Thank you so much. I also have some updating on my site to do but need sit some time and organize. I have verified from a son of Irma beetz that the sisters did indeed originate in muggensturm. Holger and Val you both have helped share my site as statistics from both us and Germany visits are up. More later! Hubert
